IT Upgrade & Broadband Claim SOP Guide

Module A: Submitting Laptop Upgrade Request

Step 1: Check Asset Eligibility

Log into the IT Asset Management portal and check your device lifecycle status.

Step 2: Raise Upgrade Request

Submit an IT ticket selecting "Laptop Hardware Upgrade" with approval reason.

Step 3: Device Handover

Receive replacement device and return legacy hardware within 10 business days.

Module B: Submitting Broadband Reimbursement

Step 1: Navigate to Finance Portal

Go to Expense Claims > Broadband Allowance.

Step 2: Attach Documents

Upload PDF invoice and payment receipt, enter exact bill amount, and submit for manager approval.
